# WELCOME TO 'HOT OFF THE PRESS'

The first of a NEW newsletter updating you on the latest for 2007 from the event planning team. Please share this newsletter with your group to let everyone have an insight into what's going on at FF07!

## ACADEMY

This year in Academy, will be **IGNITE**, FF's new night club open every night during the festival. Ignite will this year be at the movies so the decor will have a movie theme. And so will some of the activities in Academy also:

On Saturday night we will be having a **Movie/Film Fancy Dress Competition**, so get your planning done now ready for the festival - there will be a prize for the winner!

**F Factor** will be returning so if you want to compete see the song list on the web for the songs available. Book before you come to guarantee your slot ... If there is a song you want to sing and it is not on the list, let us know and we will see if we can find it.
