

hot off the press...

MONDAY

Just another manic Monday...

It's sad because it's almost the end of our fabulous FF weekend. But don't forget to check out the information on this newsletter so you can make the most of your last day.

PACKING UP PLANS

To enable a swift departure today please read through the following instructions. To provide a dry storage area Academy (Sports Hall) will be open to store packed up luggage/equipment. Before collecting your vehicle and bringing it onsite please ensure all luggage/equipment is packed up and ready to go. Loading of vehicles will be managed from the front of the house only. We are aware some may want to leave earlier than others and minibuses will be running to transport drivers to their vehicles from 9am. Vehicles should not come on to site until ready to be loaded, and once loading is complete will be required to leave the site immediately to allow a swift movement of all.

The Academy programme will continue in the room above Academy (Sports Hall). All other programmed activities will run as per the Festival Planner.

The Site Team will do their best to assist you, and we would appreciate your co-operation by following the directions of the Site Team. We do hope that you enjoyed the festival and wish you a safe journey home.
