Feeling arty? Don't miss our fantastic workshops in Photography and Sculpture with Becky Kemp. The Photography will run between 11:30am and 12pm in the Academy.

This session is perfect if you fancy yourself as a bit of a budding photographer or if you simply love taking photos of your mates. Come along to the Photography launch to see what can be done with a few snappy snaps. Open to everyone with access to a digital camera.

The Sculpture session will run between 12pm and 2pm in the Academy. It's a chance to get active in creating a group sculpture where you can express yourself in various ways from hammering nails and construction to painting, drawings, poetry and other visual expressions. It's up to you.
