## TAMING THE TIGER

Tony Anthony got Firm Foundations off to a great start at opening worship last night.

We managed to grab a quick word with him.

'The best thing for me about being a Christian is being able to intimately know God as my loving heavenly Father, my Friend, my Teacher and above all else as my Saviour,' he said. 'The thing I was looking forward to most about Firm Foundations was sharing the Gospel with everyone in the most clear and simple way they have ever heard.'

## NEW HORIZONS BBQ
